Iraqi FM Fuad Hussein Claims 'ISIS' is Back in Syria (Trying to Help Justify US Fighting Syrians Who Want Their Country Back)

"Imagine that. The United States military actively working to defend an Islamist state being run… by al Qaeda leaders… only 24 years after 9/11.

What a world."

by Scott Creighton

Iraq's Foreign Minister is claiming there is a resurgence of Daaesh Takfiri terrorists (ISIS) in Syria trying to mess up the new Islamist government run by the HTS (al Qaeda) terrorist we installed over a month ago.

Fuad Hussein suggests dealing with them the same way ISIS was dealt with in Iraq back when ObamaGod needed justification for attacking those producers of fake beheading videos way back when.

Fuad was once Chief of Staff for Masoud Barzani in Iraqi Kurdistan. You know, the dictator who runs that little piece of the Greater Kurdistan project.

> *'The State Department and White House logic is simple:* ***Barzani may be corrupt and he may be a dictator****, but he stabilizes the region. ' 19fortyfive*

Fuad also proudly gave a huge chunk of oil exploration rights to Chevron back in 2020.

Oddly enough, its been discovered that the vast majority of Daesh terrorists' weapons come from the United States. What a shocker.

> *'Gideon Sa'ar, mentioned the Kurdish people in his first speech upon taking office on Sunday.*
>
> *"The Kurdish people are a great nation, one of the largest nations without political independence," he said at a ceremony marking the handover of the Foreign Ministry from outgoing foreign minister Israel Katz to Sa'ar.*

> *Israel has enjoyed warm relations with the Kurdish people in the region since the early years of its independence. Both Jews and Kurds are minorities in the region and have often faced persecution at the hands of the same enemies.*

> *For instance, Jews suffered persecution at the hands of Arab nationalists and extremists, many of whom also targeted Kurds, seeking to deny them independence and rights in Iraq, Iran, and Syria.' Freedom for Defense of Democracies*

Israel is very much on board with the Greater Kurdistan project and thus, Kurdistan absolutely supports Israel's land grab in Syria.

(from the Israel/Kurdistan Business Developments project)

There was no such thing as ISIS in Iraq. There was the General Military Council for Iraqi Revolutionaries (GMCIR) which was a collection of Iraqi people who wanted to take their nation back from the puppets we installed after out illegal invasion and occupation of the country. People like Fuad Hussein for instance.

We are Not Fighting ISIS™ in Iraq. We are Bombing The General Military Council for Iraqi Revolutionaries

It should be noted that Fuad only stepped down as Barzani's Chief of Staff because Barzani was forced to resign in 2017 after his corruption and brutal dictatorship became so embarrassing the US and Israel didn't want to soil their images dealing with him. So he made Fuad head of his political party and his son the new dictator of Iraqi Kurdistan.

Fuad is as corrupt and dirty as any Barzani can be in Iraq and now we are hearing him spout USSOCOM propaganda trying to help us justify bombing innocent Syrian trying to take their country back from our terrorists.

Here is what he expects us to believe:

The US-backed Daesh Takfiri ISIS terrorists want an Islamist state in Syria so they are attacking the new US-backed HTS al Qaeda government that we installed last month… while the HTS al Qaeda government is getting in trouble for… pushing Islamist teaching on the secular school system Syria already had. here and here

That right. They would have you believe the Islamists are attacking the Islamists as they are currently turning Syria into an Islamist state.

Got it? Good.

No one ever said you had to be smart to work for a Barzani.

Lloyd Austin is saying we have to remain in Syria in order to 'keep a foot on the throat of ISIS' because according to him, its when we had to leave Iraq during the Obama days that ISIS started to take over.

That's not what happened and it's not what is happening.

Imagine that. The United States military actively working to defend an Islamist state being run… by al Qaeda leaders… only 24 years after 9/11.

What a world.
